

# NORDIC AML GROUP

## Azacitidine-Venetoclax - recent clinical updates

The NAMLG's Educational Working Group is hosting a webinar on **September 24, 2024, from 15:00 to 16:30 CEST**. The webinar will provide the latest insights on using Aza-Ven in AML treatment including discussions from a Nordic perspective. Topics will include its application as a first-line treatment, dosing optimizations, and strategies for maintenance therapy.

When 2024-09-24, 15:00 - 16:30 CEST

How Via Zoom, using [\*\*this link\*\*](#) and the following passcode: **82KpouDe**

|         |               |  |
|---------|---------------|--|
| Program | 15:00 - 15:05 | Welcome<br>(A. Österroos, Uppsala University Hospital, Uppsala, chair of EWG)  |
|         | 15:05 - 15:20 | <b>Aza-Ven as first-line treatment before allo-SCT</b><br>(Dr. K. Pratz, Hospital of the University of Pennsylvania, Philadelphia) |
